SUNDAY- ST. THOMAS 11:30 AM

Please enter through the parking lot side entrance off Raymer Blvd. or the elevator entrance nearest the parish office while respecting 6' Social Distancing requirements. There is no access via the ramp door. The church hall is temporarily closed to the public except for restroom access.

WHAT TO EXPECT AT MASS

6' SOCIAL DISTANCING

Pews that must remain vacant have been roped off. Pews with an X will also remain vacant. Households may sit together while respecting 6' Social Distancing from other parishioners/families.

FACIAL COVERING

Face coverings over nose and mouth should be worn when at public Mass. Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or anyone unable to remove the mask without assistance.

FLOOR MARKINGS

The floors are marked with blue painter tape at 6' increments. This will assist with Communion Distribution which will primarily take place single file down the center aisle of the churches. Verbal instructions will be given at time of reception.

OFFERTORY COLLECTION

Baskets are set up at each entrance. Offertory envelopes can be dropped in the baskets upon entry into church.

SUSPENSIONS

Entrance/Offertory/Recessional Processions are temporarily omitted. Holding hands during the Our Father, Sign of Peace, and reception of the Precious Blood are all suspended until further notice.

DISMISSAL AFTER MASS

Parishioners are asked to remain in their pews at the end of Mass. Ushers will direct parishioners in an orderly dismissal of the congregation.

SOCIAL GATHERING

Social gathering is not permitted inside the church or vestibule areas. Please respect 6' social distancing when gathering outside of the church buildings.

CHURCH DISINFECTING

At this time, maintenance staff will disinfect all church and adjoining areas following each of the listed Mass times. Parishioners are asked not to access the church and adjoining areas other than at the listed public Mass times.

In order to keep areas properly disinfected and to comply with health regulations, it is essential that we know who is entering the church areas and when. This remains in effect for all parish facilities.
