“Growing Pains: The Demands of Our Lenten Journey” is a Lenten Mission unlike any other. Beginning each evening with an original, one-woman musical, written and composed by Luminous Ministries, participants witness the events of Christ’s Passion through the eyes of Claudia Procula, the wife of Pontius Pilate, Mary Magdalene, friend and follower of Jesus, and the Blessed Virgin Mary, the Mother of Our Lord. These perspectives on the Passion, demand that those in attendance confront three main questions:

What do the truths of God demand of me?
What courageous acts does God demand of me?
What does the love of God demand of me?

Come, confront these questions, and be completely transformed by the cross of Jesus Christ. Truth, courage, and love always involve the cross...but after the cross, there is resurrection.
